Speeds vary based on site conditions and carrier. For details on 5G support, contact your carrier and see apple.com/nz/iphone/cellular . 2 The display has

rounded corners. When measured as a rectangle, the screen is 6.68 inches diagonally. Actual viewable area is less. 3 Claim is based on iPhone 12 Pro Max Ceramic Shield front compared with previous-generation iPhone. 4 Accessories are sold separately. 5 Apple ProRAW coming soon. 6 iPhone 12 Pro Max is splash-, water- and dust-resistant, and was tested under controlled laboratory conditions with a rating of IP68 under IEC standard 60529 (maximum depth of 6 metres for up to 30 minutes). Splash, water and dust resistance are not permanent conditions, and resistance might decrease as a result of normal wear. Do not attempt to charge a wet iPhone; refer to the user guide for cleaning and drying instructions. Liquid damage is not covered under warranty but you might have rights under consumer law.
