

# Roller Single Mattress

Roll it Home Today! The Roller Mattress is for those who are on the go. This mattress is inner sprung for great support while you sleep and features a 4.5 cm layer of foam for comfort. At 180mm deep it meets NZ safety requirements to be used on kid's bunk beds. The mattress is vacuum packed and rolled into a convenient box on wheels for easy handling. The compact size of the box means it is easy for you to transport in the car. Once you have opened the mattress it will expand out to the full size. An excellent choice for the bach or the kids bedrooms. 3 Year Warranty Meets New Zealand Safety standards compliance. Dimension: W 920 x L 1880 mm Please note: Price indicated is for one single size mattress only. Accessories shown are for display only and are not included. Mattress cannot be boxed again once unboxed.
