

# Down and Feather Pillow - Medium - Herington

Experience the Ultimate Luxury! Rest your head on the luxurious comfort of the Down and Feather Medium Pillow by Herington. White Goose Down is known for its incredible natural insulation properties and lush softness. Feather is also a beneficial pillow fill as it is soft and moldable so it contours well to the head and neck. This Down and Feather Pillow is filled with at least 25% minimum white goose down. The down used in this pillow is low allergen Excel Down, a specially enhanced down fibre that helps promote good health, superior comfort support and temperature control. The fill is covered with a silky smooth, high quality, piped and gusseted cotton-rich for that extra luxurious touch. Weight: 800 grams fill Feel: Medium Machine washable. 3 years warranty.
