

Perfect Contour Pillow - Hi Profile Pillow by King Koil

Sleep Right Tonight! King Koil know all about comfortable beds and now they have created this very comfortable Perfect Contour Pillow. The Perfect Contour Pillow supports your head and neck using technology from their bed range to achieve supreme comfort and support. The mini pocket coils independently conform to the contours of your head and neck. This personalised contoured support provides improved cervical spine alignment which helps to relieve tension and back pain. The responsiveness of the durable spring system also means your pillow will bounce back to shape to provide years of restful and comfortable sleep. In addition to comfort, the open structure of the mini pocket coils help to encourage air flow for breath ability and to help keep your pillow fresh. This Hi Profile Pillow is designed for those who like a higher pillow and those who sleep on their side. Buy your quality Contour Pillow by King Koil today and rest assured for a comfortable nights sleep. Dimensions: 70 x 40 x 18 cm
