

GoPro HERO8

- Black

Delivering the best bang for your buck, GoPro Hero8 lets you shoot killer 4K videos and stunning 12-megapixel photos! This versatile action camera is the perfect choice for on-the-go content creators, as it empowers you to do more for less. Capture your adventures in outstanding clarity, thanks to its HyperSmooth 2.0 video stabilisation and groundbreaking performance. GoPro Hero8 also sports a rugged waterproof build, enabling you to shoot underwater or even under challenging weather. Key Features Smooth Videos: Equipped with HyperSmooth 2.0 and 3 levels of video stabilisation - On, High and Boost, this action camera captures breathtaking full 1080p HD videos seamlessly. Stunning Shots: GoPro Hero8 shoots detailed and sharp 12-megapixel photos with its SuperPhoto + HDR feature. You can also take advantage of the TimeWarp 2.0 and four digital lenses (Narrow, Linear, Wide, and SuperView), so you'll always get the best shot. Make A Splash: Built tough, this camera can surely keep up with your fun escapades! Shoot even underwater as Hero8 boasts a waterproof build that can withstand up to 33ft submersion. Ultimate Setup Personalisation: A great companion for live streamers, vloggers, or content creators alike, this camera supports effortless customisation via mods*. To help you elevate your shooting experience, Hero8 is also compatible with over 30 GoPro mounts and accessories*. Harness Nighttime Magic: Capture the evening in stunning 4K resolution with Night Lapse mode. Burst Mode: LiveBurst takes a series of images 1.5 seconds before and after the shot. Smooth Slo-Mo: Add a dramatic flair to your action-packed journey, as this camera supports up to 8x Slo-Mo videos in 240 fps + 1080p quality. High-Fidelity Audio: This action camera equips 3 microphones and helps dampen wind noise, so you'll always be heard loud and clear. Nifty Timer: For hands-free photography or group shots, you can

use the convenient 3/10-second timer functions. Quik App: By downloading the Quik app on your smartphone, you can view all of your favourite shots in one place. It offers straightforward yet powerful tools, letting you edit, share, and manage your media library even while on the move. *Mods and GoPro accessories are sold separately.
