

# GoPro Surfboard Mounts

Record your fun adventures using the GoPro Surfboard Mounts. A great addition to your outdoor filming gear, this Surfboard Mount lets you securely mount your camera to surfboards and boat decks. It also comes with an FCS compatible plug, allowing you to easily connect your GoPro to an FCS fin socket. Key Features Giving you the ability to capture every moment, the GoPro Surfboard Mounts lets you attach your action cam to surfboards, kayaks, SUPs, and boat decks. To ensure your device's safety and security, this GoPro Surfboard Mounts comes with adhesive anchors and camera tethers. Equipped with FCS compatible male plug, this Surfboard Mount enables you to conveniently mount your camera to an FCS centre fin socket. Included in the box are Surfboard Mounts, 2 Adhesive Anchors, 2 Camera Tethers, FCS Male Plug Mount, and Locking Plug. \*GoPro Camera not included.
