

Kaiser Baas X600 4K Action Camera

Let this action camera by Kaiser Baas accompany you on your adventures. X600 can capture thrilling and aesthetic footages of your activities. It will also let you capture breathtaking underwater tapes. Its handy and portable design makes it ideal to be your travel companion. Just have this ready in your bag and capture anywhere and anytime. Key Features

Compact Design: You can quickly and conveniently pack this camera device in your bag because of its lightweight and portable structure.

Image and Video Resolution: You can record 4K videos at 30FPS and capture 14MP incredible images with stunning details.

Display: The 2-inch Touch Screen makes it easier for you to adjust frame shots, playback recordings, or adjust settings.

Gyro Mode: It has a built-in gyroscopic control to let you have the maximum stabilisation and capture smooth and clear footages when filming and shooting with your hands, or when X600 is mounted on gears.

Smartphone App: You can manage your images and videos from your action camera through your compatible smartphone.

Compatible Accessories: X600 can be used with all Kaiser Baas Accessories and GoPro™ Mounts when inside the case.
