

Kaiser Baas Vortex Action Camera Compact Arm Extension Grip Stick 48cm

Easily take pictures on your every adventure with the Kaiser Baas Vortex Action Camera Compact Arm Extension Grip Stick 48cm. This action camera grip stick is a handy solution for taking selfies and group shots. Simply attach your compatible action camera on the included mount and start making memories with your family and friends. **Key Features** This extension arm has a compact structure, making it easy for you to bring it on your travels and adventures. It can extend up to 48 cm, ideal for capturing group shots, 360-degrees footages, and more. It includes a wrist strap so that you can securely hold this extension pole as you take selfies with friends and family. Its pole can easily be extended and locked in place with a simple twist.
