

Cygnett V-Glamour 10" Ring Light with Tripod & Bluetooth Remote

Cygnett provides the perfect lighting to accompany you on your vlogging, photography/videography sessions, and even during conference calls with the V-Glamour 10" Ring Light with Tripod & Bluetooth Remote. Plus, with its easy-to-use selfie stick and tripod stand, this gear ensures to make it convenient to bring this wherever you go and make content anytime, anywhere.

Key Features With its built-in universal smartphone mount, the V-Glamour Ring Light with Tripod will effortlessly hold your smartphone in place as you record or do live videos for your vlogs. It comes with a Bluetooth Remote, this will allow you to conveniently set a timer to capture images and recordings from an adequate distance. Cygnett 10-inch V-Glamour Ring Light with Tripod helps highlights your best features in front of the camera thanks to 120 LEDs with adjustable brightness level and three colour temperature modes (Warm White, Neutral White & Cool White). For easy portability, this ring light with the tripod has a collapsible structure so that you can easily store this inside your bag without too much effort.
