

# Panasonic Lumix DC- TZ90GN Compact Zoom Digital Camera

The Panasonic Lumix TZ90 easily slips into a pocket for travelling. And even with its compact size, the TZ90 features a host of attractive functions for travelers, from an indispensable ultra zoom to Panasonic's newest 4K video/photo technology. It brings you every detail, from intricate landscapes to faraway subjects and spur-of-the-moment shots. Capture all those travel memories before they pass you by, and save them in the exact form you want.

**Key Features**

The ideal travelogue camera: This pocket-sized camera captures all the breathtaking emotions of your travels. From sweeping panoramas and distant towers to the smile of your special partner. The Lumix TZ90 catches both photos and videos in all the vivid colours and crisp details that you recall.

**Flexibility with the 30x LEICA DC Lens:** The Lumix TZ90 brings you right up close to the action. The 24mm LEICA DC VARIO-ELMAR lens has a 30x optical zoom (35mm camera equivalent: 24-720mm) so you will always be able to capture that special moment or subject that piques your interest.

**4K Selfies:** Get the perfect selfie with a 180-degree tiltable monitor. Whether its a group selfie, a party moment or your dog who just doesn't want to stay still, you can capture life in stunning 4K quality.

**See it All with high-precision LVF:** Sometimes, harsh sunlight makes even the brightest camera screens difficult to see. The LUMIX TZ90 features a 0.2-inch 1, 166k-dot LVF (Live View Finder)

which automatically turns on when you lift the camera to your eye, so you can see every detail and capture the shot you're looking for. Ultra high speed focusing: Capture even the fastest moving action thanks to DFD (Depth From Defocus) technology. It instantly calculates the distance to the subject by evaluating two images with different sharpness levels, and achieves ultra-high-speed AF to deliver 10 fps burst shooting with AFS and 5 fps burst shooting with AFC.

## Features

### All Product Details

<b>Brand</b>	Panasonic
<b>Product Type</b>	Compact Zoom Cameras

### Camera Features

<b>Screen Type</b>	TFT Screen LCD Display
<b>Screen Size</b>	3.0"
<b>Sensor Type</b>	1/2.3-inch High Sensitivity MOS Sensor
<b>MegaPixels</b>	20.3MP
<b>ISO Sensitivity (max)</b>	6400
<b>Video Quality</b>	4K
<b>Optical Zoom</b>	30x
<b>Enhanced Zoom</b>	60x
<b>Stabilisation</b>	5-Axis HYBRID O.I.S.
<b>Auto Focus Points</b>	49 Points
<b>Shutter Speed</b>	Approx. 4 - 1/2,000 sec (Mechanical Shutter)
<b>Max FPS</b>	5fps
<b>Media Type</b>	SD Memory Card, SDHC Memory Card, SDXC Memory Card
<b>Face Detection</b>	Yes
<b>Battery Type</b>	Li-ion Battery Pack (7.2V, 1025mAh, 7.4 Wh)

#### Connections

<b>Connection Type</b>	USB
<b>Connections</b>	Micro HDMI
<b>Wireless Ready</b>	IEEE 802.11b/g/n

#### Dimensions

<b>Product Width</b>	11.2cm
<b>Product Depth</b>	4.12cm
<b>Product Height</b>	6.73cm
<b>Product Weight</b>	Approx. 322g

#### Warranty

<b>Manufacturers</b>	12 Months
