

UR1 Life 16x16 Photo Frame with 12x12 Opening - Black

Give your favourite photo a distinction in UR1 Life Black Photo Frame. This elegant and aesthetic photo frame offers a safe and convenient way to display your cherished memory. It features a gleamingly clear glass cover that gently protects and preserves your picture for ages. Key Features Minimalist Design: Its simple and austere design complements your home interior, letting you place it on any part of your home. Wall Display Option: You can hang this solid photo frame on your wall with the included hooks for more convenient wall-hanging. Photo Fitting: This photo frame can accommodate a 16x16 inches photo. It also comes with a removable 12x12 inch opening matt that gives you flexibility and more options to fit your image. Preserves Photo: Your treasured photo is protected from dirt, dust, and smudges. Easy to Clean: Wiping it gently with a clean and soft cloth without any chemicals will easily remove the dust particles.
