

# UR1 Home 11 x 14 Frame with 8 x 10 Opening

With its interesting blend of rustic design and minimalist construction, the UR1 Home 11x14-inch Oak Photo Frame with 8x10-inch Opening lets you preserve and immortalise your favourite captured memories in style. This adds a stunning accent that ties well with the rest of your house decors, elevating the aesthetics of your home. Key Features Its Oak-coloured finish gives it a rustic look. Its minimal design and nature-inspired vibe make the frame pop out beautifully anywhere in your house. This can be placed in any tabletop or shelf thanks to the frame's built-in stand. Sits vertically so you can put any portrait-oriented image that you want. Its sleek and dense construction makes the frame durable, protecting the memories that are important in your life.
