

# UR1 Home Oak 8x12 Frame with 2 6x4 Openings

With its interesting blend of rustic design and minimalist construction, the UR1 Home Oak 8x12-inch Frame with two 6x4-inch Opening lets you preserve and immortalise your favourite captured memories in style. This adds a stunning accent that ties well with the rest of your house decor, elevating the aesthetics of your home. Key Features Its Oak-coloured finish gives it a rustic look. Its minimal design and nature-inspired vibe will bring the best out of anything that you choose to display. This will pop out beautifully in any tabletop or shelf thanks to the frame's built-in stand. Sits vertically so you can put any portrait-oriented images that you want. Its sleek and dense construction makes the frame durable, firmly protecting the memories that are important in your life. Thanks to its dual-opening feature, you can display two photos simultaneously.
