

Instax mini Link - Dusty Pink Case

Keep your mini Link printer snug and guarded against bumps, abrasions, and unwanted elements with this Instax mini Link Case. It is built with a stiff structure that offers optimum protection while keeping the inside of this case secure thanks to its soft inner walls. Key Features Instax offers a case that allows you to carry both your mini Link printer, photo paper, and USB charging cables as it is also designed with a mesh pocket. It features a compact and rigid structure, designed to protect your Instax mini Link when you're not using it. With this case, you can toss your mini Link inside your bag without any worries. The inside of this case incorporates a soft interior, safeguarding its contents during accidents. It includes a detachable wrist strap that allows you to carry this Instax mini Link case in comfort wherever you go.
