Harvey Norman®

Instax Square Film 20 Pack

Enjoy pictures packed with clear vivid colours, natural grains, and consistent skin tones thanks to the Instax Square Film 20 Pack. With this brilliant pack, you can capture your treasured memories in outstanding quality and style. Each sheet measures 8.6 x 7 cm, so you can bring and display them wherever you want. Each aesthetic and compact film can be stored in your wallet or displayed on a mini photo frame. Immortalise and share your favourite memories with Instax Square Film. Key Features Design: Ideal for sharing with your friends and family, this Pack lets you print photos with white frame borders. Each 8.6 x 7 cm sheet of film produces a square 6 x 6 cm glossy image area. Quality: This Instax Film Pack gives remarkable clarity and detail from highlights to shadows. What's in The Box: This Pack contains twenty pieces of film sheets, enabling you to capture more memories and print more photos. Compatibility: The films are suitable for your Fujifilm Instax Square SQ10 camera. Perfect for Projects: This Film Pack is a great addition to your DIY projects such as scrapbooking, collage, wall art, phone cases, etc. With its squared shape, you can easily add this to various items such as wallets, phone cases, frames, etc
