

# Targus 15- 15.6" CityGear II SlimLite Laptop Bag

The professional-style Targus CityGear II SlimLite Laptop Bag provides superior protection for Laptops measuring between 15 to 15.6-inches (38.1 - 39.62cm) through its highly functional design which includes a well-organised storage and tablet compartment so that you can perform business in style. Key Features Expedient: store both your device and important files with the CityGear II SlimLite which contains three storage and tablet compartments, a front accessory pocket, a document section, an internal ID holder and a luggage strap for extra security. Durable: this Laptop Bag embodies padded protection for keeping your device safe inside. Comfortable: its featured shoulder pad is contoured in order to provide support when carrying your bag for both a lighter feel and content use.
