

# Alogic USB-C Travel Dock Pro with Power Delivery

Upgrade your device's connectivity options with the Alogic USB-C Travel Dock Pro with Power Delivery. This travel dock has various ports that can be used for transferring files, connecting to a network, or charging a compatible laptop, making it a powerful handy solution to bring on your trips and travels. Key Features Alogic Travel Dock has a USB-C Female port, an SD slot, two USB 3.0 ports, and a Micro SD Card slot that lets you transfer files smoothly. Instantly connect your compatible devices to a monitor/TV or a projector using the USB-C travel dock's VGA and HDMI ports that support 4k video resolution at 30 Hz. It has a Gigabit Ethernet port that lets you connect to fast Wi-Fi network with a bandwidth of up to 1000 Mbps (depending on ISP and network conditions). Connect to a USB-C adapter and charge your compatible laptop with a power range of up to 100W. This portable dock can be used with devices that have USB-C ports with DisplayPort Alt. Mode and Thunderbolt 3 enabled computers. Inside the box, there is one USB-C Travel Dock Pro and one User Manual included. \*Laptop shown not included.
