

Belkin SurgePlus 2 Outlet & 2 USB Domestic Travel Surge

Ensure peace of mind and protect valuable electronics from damaging power surges with the Belkin SurgePlus 2 Outlet and 2 USB Domestic Travel Surge. This Surge Protector provides three basic functions: power, protection, and portability. Built with LED indicators that keep you informed of whether the surge protector is ground and offers high capacity surge protection for all devices. Key Features Portable: The easy fold wall plug allows you to travel with peace of mind, knowing that your travel surge protector is stored safely and securely. Charge and Protect Multiple Devices: Providing superior convenience on the go, with 2 protected AC outlets and 2 protected universal USB ports, for fast charging tablets, smartphones and other mobile devices. Never be caught short: You will never run out of power outlets to charge your devices with the Belkin Travel Surge containing 2 x USB ports for fast charging tablets, smartphones & other mobile devices. Secure: Featuring a fold wall plug for safe and secure storage. Protection: Surge protection indicator lights keep you updated with 2-surge protected AC outlets.
