

# Fitbit Charging Cable for Ionic

Keep your health and fitness tracker charged with the Fitbit Charging Cable. It makes a handy accessory whenever you are out and about, allowing you to track your workout progress while listening to your favourite music. Key Features This charging cable is suitable for use with Fitbit's Ionic watches. Fitbit's Charging Cable incorporates a magnetic snap-in connector that will easily attach into the Ionic watch's charging port. With its USB connector, this cable can be plugged into any compatible adapter or device with a USB port. Its portable design lets you put it into any bag or purse and bring it on your trips and travels while its slim cord makes it effortless to slide in tight spaces to access outlets behind cabinets or furniture.
