

Logitech G703

Lightspeed

Hero Gaming

Mouse

Excel on all your games with the Logitech G703 Lightspeed Hero Gaming Mouse. This gaming mouse is enhanced with the most advanced gaming sensor and offers an astonishing response rate and accuracy. It is built with durability and style in mind, giving you timeless performance and endurance on all your games.

Key Features

Sensor Technology: To give you the accuracy and consistent responsiveness that you need, it is boosted with HERO 16K sensor with LIGHTSPEED wireless technology that can employ tracking speeds of 400+ IPS and 100 to 16,000 DPI sensitivity.

Ergonomic and Comfortable Design: It is constructed with a lightweight and simple structure with dual-injected rubber side grips that will surely help you perform at your best.

Six Programmable Buttons: Using the Logitech Gaming Software, you can activate, configure, and set in-game commands to all the mouse's six buttons for your preferences.

Mechanical Button Technology: Its button has metal-spring tension that allows you to get the speed, responsiveness and consistency without exerting too much force in every click.

LIGHTSYNC RGB Technology: It has customisable per-key lighting with 16.8 million colours to choose from. You can also choose or create your own animations for a mesmerising RGB experience.

Wireless Charging: With POWERPLAY Wireless Charging System that is sold separately, you don't have to worry about its battery power again. You can charge Logitech G703 while both at rest and at play.
