Key Features

Silent Clicks: Indulge in a peaceful working environment as this Logitech M221 Wireless Mouse reduces over 90%* of distracting clicking noise.

Efficient Performance: Logitech M221 utilises a high-performance optical sensor, so you can enjoy seamless cursor control on nearly any surface. It also sports three buttons (Left/Right-click and Middle-click) for effortless navigation and a user-friendly wheel for line-by-line scrolling.

Compact and Portable: M221 boasts a small, wireless, and portable profile, making it the perfect fit for your mobile workspace. You can easily place it atop tight desks or store it in your laptop bag for grab-and-go use.

Optimised Form: Logitech M221 Silent Wireless Mouse has a contoured shape that conforms to your hand's natural curves. It feels great to hold and keeps you comfortable even after long hours of working.

Ambidextrous Design: Ultra-versatile, this mouse is designed to be equally suitable for both left- and right-handed individuals.

Long-Lasting Battery: This wireless mouse offers up to 18 months of battery life, letting you do more before the next battery switch up. In addition, it comes with an on/off switch button and auto-sleep power-saving mode.

Plug-and-Forget Nano Receiver: The mouse's Nano receiver provides a strong and stable connection up to 10 metres**. Simply plug it into your computer or laptop to use the mouse right away.

Broad Compatibility: The M221 mouse works with

Windows®, macOS, Chrome OS™ and Linux® enabled devices with an available USB port. Stunning Range: Logitech's M221 Silent Wireless Mouse Range is available in an array of sleek colours to match your style. *Sound level comparison between Logitech M221 and Logitech M170.
