

Logitech MK120 Wired Keyboard & Mouse

A durable duo that brings comfort, style and simplicity together. Comfortable, quiet typing: You'll enjoy a comfortable and quiet typing experience thanks to the low-profile keys that barely make a sound and standard layout with full-size F-keys and number pad. High-definition optical tracking: You'll enjoy responsive and smooth cursor control with the high-definition optical tracking (1000 dpi). Thin profile: The keyboard has a thin profile that adds a sleek look to your desk while keeping your hands in a more comfortable, neutral position. Plug-and-play USB connections: Setup is simple—you just plug your keyboard and mouse into USB ports on your desktop, laptop or netbook computer and start using them right out of the box. Sturdy, adjustable tilt legs: You can extend the sturdy folding legs to increase the keyboard tilt by 8 degrees to address your personal ergonomic needs.
