

Logitech MK470 Slim Wireless Keyboard & Mouse - Black

Make your workplace efficient, modern, and aesthetically pleasing with the whisper-quiet Logitech MK470 Slim Wireless Keyboard & Mouse. Featuring a minimalist and compact design, this keyboard and mouse combo is perfect for getting everything accomplished efficiently. **Key Features** The MK470 Slim Combo stands out for its minimal profile. The slim and sleek design transforms your workspace into a visual statement for a clean desk setup. This compact, space-saving keyboard includes a number pad and 12 FN shortcuts, giving you all the keys you need. The slim mouse is also portable, and you can easily store it in your laptop bag or your pocket for on-the-go use. The combo's space-saving size means you can work on the tightest worktables without any trouble. Its mouse is fluid and comfortable as it has a smooth pebble shape and an ambidextrous build. This keyboard offers reduced noise so that you can enjoy a quiet work experience. It comes with a USB receiver that offers a stable 2.4 GHz wireless connection with up to 10 metres of range. It is also plug-and-play, so you can get things done instantly.
