

Logitech Pebble M350 Wireless Mouse - Graphite

Transform your workplace into an efficient, modern, and aesthetically pleasing space with the whisper-quiet Logitech Pebble M350 Wireless Mouse. Featuring a minimalist and compact design, this mouse perfectly fits in your pocket and bag. With a quiet clicking and scrolling, you can elevate your productivity without noise distractions. Key Features The Logitech Pebble M350 Wireless Mouse stands out for its minimal profile. The slim and sleek design transforms your workspace into a visual statement for a clean desk setup. This compact, space-saving mouse is also portable, and you can easily store it in your laptop bag or your pocket for on-the-go use. The mouse fits naturally in the palm of your hand. It has smooth rounded sides that are comfortable enough for longer work hours. Work anywhere, even in public places without disturbing others as it offers reduced noise so that you can enjoy a quiet work experience. Logitech Pebble M350 Wireless Mouse can accurately and quickly track so that you can use it anywhere, from a table to your bed cover.
