Enjoy the speed and reliability of the 16GB Ultra Fit USB 3.0 Flash Drive from Sandisk. You can use this 16GB compact and discreet flash drive as extra storage or to transfer all your movies, images, music and more from one device to another in seconds. Key Features With a capacity of 16GB, the SanDisk Ultra Fit provides plenty of space for backing up or transferring files. Powered by USB 3.0, the Ultra Fit drive transfers your photos, videos and music 10 times faster than a USB 2.0 drive. Included on the drive, SanDisk SecureAccess allows you to password protect your files. SanDisk's RescuePRO software lets you recover files in case of accidental deletion.
