

WD My Passport USB 3.0 Portable Hard Drive - 3TB

The My Passport portable drive is trusted to store the massive amounts of photos, videos and music you love. Available in an array of vibrant, fun colours, the sleek style fits comfortably in the palm of your hand, so you can easily take your treasured content everywhere you go. Key Features Express yourself: The sleek, vibrant design of the My Passport drive comes in a wide range of bold, beautiful colours so you can pick the one that matches your own unique, personal style. Easy to use: Ready to use out of the box, you can start transferring files, saving memories and backing up right away. WD Backup and WD Security software is included to help protect your data. Auto backup: Automatically back up photos, videos, music and documents from your system onto your My Passport drive with the included WD Backup software. Set it to your schedule. Just pick the time and frequency. Password protection: Built-in 256-bit AES Hardware Encryption with WD Security software helps keep your content private and safe. Easily add a “return-if-found” message as the password prompt in case your My Passport drive ever gets lost. Even great minds like yours can accidentally leave things behind. WD reliability: WD builds drives to demanding requirements for durability, shock tolerance and long-term reliability.
