

# Transcend Extra Slim Portable DVD Writer - Black

The Transcend Extra Slim Portable DVD Writer lets you watch movies, back up your files, and install software on your device, making it an ideal accessory for your lightweight laptop. Made stylish and handy, this DVD Writer is built with rounded edges and elegant design that blends naturally with the contours of your netbook. Key Features With its ultra-thin and sleek design, you can easily carry this Transcend DVD Writer wherever you go. It is also built with anti-slip rubber fit which securely keeps the DVD Writer in place. The Transcend Extra Slim Portable DVD Writer works well with CD-R/RW, DVD±R, DVD±RW, DVD±R DL, M-DISC, and DVD-RAM media. For fast and fluid data transmission, this Extra Slim Portable DVD Writer utilises a USB 2.0 interface. This Portable DVD Writer is USB powered, which means it does not need any external power adapter for it to work. It also does not require extra driver installation as it supports TV connectivity. To help you watch movies and videos, the Transcend DVD Writer comes with a free download of CyberLink Media Suite 10.
