

Turtle Beach Recon 200P Gaming Headset - Black

Offering immersive gaming experience, the Turtle Beach Recon 200P Gaming Headset delivers powerful amplified audio with Bass Boost. This Recon Gaming Headset comes with a Variable Mic Monitoring feature which automatically adjusts the volume of your own voice inside the headset, so you won't have to shout at your teammates when playing. Key Features Design: The Recon 200P Gaming Headset is designed with a metal-reinforced headband and synthetic leather-wrapped memory foam cushions which provides added durability and unmatched comfort. Flip-up Mic: Constructed with high-sensitivity mic, this Turtle Beach Headset ensures you that it can clearly pick up your voice. This microphone also features a flip-to-mute function, allowing you to automatically silence the mic when not in use. High-quality 40mm Speakers: This 200P Gaming Headset is integrated with high-quality 40mm over-ear speakers which help produce crisp highs and thundering lows when listening to music, playing games, or watching videos. Multi-platform Compatibility: The Recon 200P Gaming Headset is engineered to work well with Xbox One and PS4 controllers that have a 3.5mm jack. It also works great with Nintendo Switch, PC, and mobile devices.
