

Turtle Beach Recon 70N Gaming Headset for Nintendo Switch

This Turtle Beach Recon 70N Gaming Headset features a comfortable and lightweight, supporting your road to victory. It has over-ear premium synthetic leather cushions, enabling you to listen to sounds clearly with a more robust bass response and excellent noise cancellation. Key Features The 40mm over-ear speakers produce pure ultra-crisp sounds, giving you accurate thundering lows and vibrant highs while blocking outside noise. Stay on the game for more extended hours comfortably, thanks to the headset's ultra-lightweight design. Its highly sensitive microphone picks up your voice clearly and accurately, ensuring that your commands are always heard. The mic also automatically mutes when flipped upwards. The device's artificial leather-wrapped ear cushions offer superior comfort while also helping improve bass response and noise isolation. The padded headband also supports relief during long hours of use. Its 3.5mm connection is versatile, enabling the device to match well and work across multiple platforms.
