

Turtle Beach Recon 70P Gaming Headset for PS4 - White

Built with user comfort and premium performance in mind, this Recon 70P Gaming Headset for PS4 by Turtle Beach lets you comfortably play for longer periods thanks to its lightweight design. The device has an improved bass response, and a noise isolation feature to keep outside distractions at bay. Key Features The 40mm over-ear speakers produce impeccable ultra-crisp sounds, giving you accurate thundering lows and vibrant highs whilst blocking outside noise. Stay on the game for longer hours comfortably, thanks to the headset's ultra-lightweight design. Fully-compatible with platforms such as Nintendo Switch, PS4, Xbox One, and Windows PC. Its highly sensitive microphone picks up your voice clearly and accurately, ensuring that your commands are always heard. The mic also automatically mutes when flipped upwards. The device's artificial leather-wrapped ear cushions offer superior comfort, while also helping improve bass response and noise isolation. The padded headband also supports relief during long hours of use. Its 3.5mm connection is versatile, enabling the device to match well and work across multiple platforms.
