

Arlo Pro 2 Smart Home Security System with 3 HD Cameras

Keep your home safe and sound with the Arlo Pro 2 Smart Home Security System with 3 HD Cameras. The most powerful and easy to use wire-free security camera ever thanks to its 1080p video, wire-free simplicity and the option to plug it in to a power outlet whenever needed, all in a small weather-resistant design. Additional features include Amazon Alexa voice commands and rechargeable batteries. Key Features

HD Resolution and Motion Detection: Watch and record crisp, 1080p HD video in more detail than ever before, while the wide-angle PIR motion sensors make sure no movement goes unnoticed.

3-Second Lookback: Capture activity 3 seconds before a triggered event so you'll always know what happened, from start to finish.

Activity Zones: Highlight key areas in your camera's view where you want to receive motion and sound alerts.

Wire-Free or Plugged In: The Arlo Pro 2 is not only weather resistant with IP65 certification, but 100% wire-free. You can keep your camera charged using the rechargeable battery, plugging it into a power outlet when indoors, or connecting it to the Arlo Solar Panel*.

Smart Siren: Stop crime before it happens with 100+ decibel siren that can be controlled remotely, or set it up to go off automatically when motion or sound is detected.

2-Way Audio: Listen in and talk back through the built-in speaker and mic straight from your smartphone.

Local Storage and Free Cloud Recordings: Don't pay for cloud storage that you don't need. Keep the past 7 days of motion- and audio-triggered recordings for free. Secure your recordings with an USB

drive local backup storage option. *Arlo Solar Panel sold separately.

Features

All Product Details

Brand	Arlo
Product Type	Home Monitoring
Model	VMC4330P

Connections

Wireless Ready	Wifi 802.11 n
-----------------------	---------------

Power

Battery Type	2440mAh Rechargeable battery
---------------------	------------------------------

Dimensions

Product Width	Camera: 7.93cm, Base: 5.86 cm
Product Depth	Camera: 4.86cm, Base: 17.45cm
Product Height	Camera: 7.05cm, Base: 12.6cm
Product Weight	Camera: 136g, Base: 316g

Warranty

Manufacturers	24 Months
