

Arlo Pro 3 Smart Home Add-on Security Camera

A great solution for keeping your home safe, Arlo Pro 3 Wire-Free Security Camera System helps you monitor your home as it can shoot clear and detailed videos at 2K HDR. It also comes with an integrated spotlight and colour night vision that helps you see things happening even at night. Key Features Easy Setup: The Arlo Pro 3 provides a trouble-free set up as it can be installed without the need for wires. It can also be charged with a magnetic charge cable which conveniently sticks into place. Built with Magnetic Mount, Arlo Pro 3 allows you to easily adjust the camera in a different location. Durability: Arlo Pro 3 assures you its ability to last as it is designed to resist damages caused by heat, cold, rain and sun. Audio Quality: Engineered with superior audio quality, the Arlo Pro lets you hear what your visitors say in the camera as well as talk to them. Smart Siren: For extra peace of mind, this camera is built with a siren that can be activated automatically and via remote. Compatibility: Arlo Pro 3 works with Apple Watch, Google Home Hub, and Amazon Alexa. The pack also includes a 3-month trial of Arlo Smart, an app designed to notify you whenever the camera detects a person, vehicle, animal, and package in your doorstep.
