

D-Link DCS-8525LH Pan & Tilt Wi-Fi Camera

Observe any space in your home remotely with the D-Link DCS-8525LH Pan & Tilt Wi-Fi Camera. This Camera lets you pan left and right, as well as up and down via the mydlink app. Effortlessly follow and watch over your kids, visitors, or pet even as they walk around. Easy to set up, you can utilise its innovative Bluetooth 4.0 support and backward compatibility with 802.11g/b, and wireless 802.11n, to get your Camera up and running without ethernet cabling. Key Features Featuring 1080p Full Hd Video, it packs a built-in high-quality sensor to take amazingly accurate snapshots and clear, 1080p full HD quality videos. Enjoy continuous motion detection without latencies as the DCS-8525LH activates video recording with less disturbing lags. Built with Sound Detection capabilities, the DCS-8525LH's built-in sound detection lets you hear what you can't see. Stay on top of things as you receive notifications and video clips straight to your smartphone. You can maximise its functionality by using it as a baby monitor or office camera. View low-lit areas clearly thanks to DCS-8525LH's night vision capabilities. Get all day and night monitoring with its infrared LEDs that captures even in complete darkness up to 16 feet. Using the free mydlink™ app, you can now check in on your loved ones anytime.

Features

Brand	D-Link
Product Type	Home Monitoring
Model Number	DCS-8525LH

Connections

Bluetooth	4.0
Connections	Ethernet Port
Expansion Slots	Micro SD
Wireless Ready	802.11b/g/n

Software and System Requirements

Operating System	mydlink app for iOS and Android devices
-------------------------	---

Power

Power Consumption (Sleep/Standby)	8.43 + 5% W
--	-------------

Dimensions

Product Width	116cm
Product Depth	113cm
Product Height	138cm
Product Weight	Approx 330g

Warranty

Manufacturers	12 Months
