

Ring Floodlight Cam - White

Safeguard your home and stay on top of things with the Ring Floodlight Cam. It is intelligently crafted with built-in floodlights, a siren alarm, and two-way audio, enabling you to communicate to anyone on your property from anywhere. Key Features Enjoy crystal-clear HD videos, live view streaming, and smart zoom with panning. For elevated convenience, you can also control the lights, siren; the two ultra-bright LED floodlights and the 110-decibel siren alarm via the companion Ring App. Effortlessly watch over your kids, visitors, or pets as this Camera features superb object and facial detection. This Floodlight Cam packs highly advanced motion sensors for your home security. With its 270° field-of-view, you can monitor every nook and cranny seamlessly. This Ring Floodlight Cam quickly replaces currently wired floodlights and attaches to standard junction boxes. Access alerts from your smartphone, tablet, or PC whenever the Camera detects motion. This is iOS, Android, Mac and Windows 10 compatible. The Ring App included is free, so you can get the best out of your buck and enjoy the multifunctionality and convenience it offers.
