

Swann SWIFI 1080p Wire- Free Outdoor Security Camera White - 1 Pack

This Swann SWIFI 1080p Wire-Free Outdoor Security Camera is a great way to upgrade your surveillance system. Enjoy crisp and clear video recordings as this security camera offers a 1080p resolution. It packs a rechargeable 6000mAh Lithium Battery that can be powered up via USB to Micro USB Charging Cable. Key Features It comes with a True Detect™ Thermal /Heat-Sensing feature, which identifies things and people via temperature. It triggers auto recording and push notifications when it senses something so you can always be alerted. The Wire-Free Outdoor Security Camera captures clear footages in 1080p Full HD. Weatherproof, freezeproof, and waterproof, the Swann Wire-Free Outdoor Security Camera can perform seamlessly regardless of the environmental condition. It can withstand sunlight, snow, and rain, making it perfect for outdoor installation. It offers a 180-degree ultra-wide-angle so that you can see an extensive view of your area. Swann Security App supports mobile devices and tablets, iOS (11.0 & above) or Android (8.0 & above). It is Wi-Fi-enabled and lets you enjoy a high-speed internet connection. The Camera packs a rechargeable 6000mAh Lithium Battery that can be powered up via USB to Micro USB Charging Cable.
