

Swann Wireless Door Chime

With just a push of a button, the Swann Wireless Door Chime notifies you quickly so you can know when your expected guest is already at your door. This Door Chime comes equipped with a backlight and up to 16 chimes. It also supports a transmission range of up to 150ft. **Key Features Design:** The Swann Wireless Door Chime is built with a cream gloss finish that complements any home decor. You can also easily personalise this door chime and write your name on its nameplate. **Easy Installation:** Wireless and convenient, the Swann Door Chime can be mounted to your wall easily. It also comes with a volume button, allowing you to adjust the volume of your door chime. **Backlight:** This Swann Door Chime enables you to quickly know when someone rings the doorbell as it is integrated with an eye-catching backlight. **Chimes:** Offering 16 chimes to choose from, the Swann Wireless Door Chime lets you set your doorbell tune and hear a melodic chime when someone pushes your doorbell. *3 x AA Battery not included.
