

# Dell XPS 9350-5340SLV Laptop

PLEASE NOTE: Online Clearance Product | Includes Free Delivery This item is available online with Free Delivery , but may not be available at all Harvey Norman stores. Stocks are limited. Purchase online today to secure your product. For more information please feel free to contact us using the Ask Us tab. The Dell XPS 9350-5340SLV Laptop is fully-loaded for enhanced performance. Easily handle multiple applications running and better performance with an Intel dual core processor. Plus, Dynamic Power Mode, engineered by Dell, delivers extra processing power when you need it, squeezing every drop of power out of the CPU, while intelligently monitoring and managing system temperatures. Key Features Design: Cut with precision from a single block of aluminum for a sturdy, durable chassis in a sleek design. The touch display option is up to 10 times more scratch resistant than soda lime glass. Touch friendly: Tap, swipe and pinch your way around the screen. The optional touch display lets you interact naturally with your technology. Display: Stunning UltraSharp QHD+ resolution. An optional upgrade gives you eye-popping detail with 5.7 million pixels. Secure: Enjoy a password-free sign-in with the optional fingerprint reader that gives you the fastest, most secure way to unlock your Windows devices. Using your touch, it recognises you apart from all others. It waves you in with a friendly hello and even works on apps and Microsoft Edge websites. \*This product is imported directly into New Zealand for Harvey Norman. The manufacturer's warranty will not apply. The 12 month product warranty will be supported by the Harvey Norman NZ service agent.
