

Lenovo IdeaPad C340 i5-8265U 14" 2-in-1 Laptop

When inspiration strikes bring your ideas to life with the powerful, yet light, Lenovo IdeaPad C340 i5-8265U 14" Laptop. Power and mobility meet versatility, the Lenovo IdeaPad C340 can help make ideas happen. Its all-day battery means you can use it as a laptop, tablet, and more. For extra privacy, it has a webcam shutter. Key Features Enjoy the freedom to get more done: With up to 8 hours of battery life, the Lenovo IdeaPad C340 lets you work, play, and stay in the loop all day, from anywhere. Running low on juice? Rapid Charge technology lets you fuel up to 80% battery capacity in just one hour. Online privacy? We have you covered: In today's always-on world, online privacy matters more than ever. That's why the Lenovo IdeaPad C340 has a convenient TrueBlock Privacy Shutter, so you can physically close your PC's webcam whenever it's not in use. Let your creativity flow: Why type when you can write, draw, or sketch directly onto the IdeaPad C340's screen? With a digital pen, you can capture moments of inspiration or take notes on the fly - wherever life takes you. Extremely versatile, very functional: The IdeaPad C340 is designed for you to handle any situation, anywhere. Use it in Laptop mode for everyday computing, Tent mode for sharing things, Stand mode for binge-watching, or Tablet mode for more intuitive interaction. *Active Pen 2 included
