

Brother PTH110 Portable Label Maker - White

Sporting a built-in keyboard and graphic display, the handy Brother PTH110 Portable Label Maker lets you create impressive labels on the fly! This compact handheld machine produces crisp, legible text and long-lasting outputs up to 12mm in width. You can also personalise your labels and choose from various fonts, frames, and symbols. Key Features Versatile Labeling Machine: With its user-friendly interface and excellent printing capabilities, the Brother PTH110 is the perfect choice for your general labelling needs. It is ideal for working professionals, students, and hobbyists alike! Personalise your Items: You can use this handy machine to personalise, organise, and easily identify your file folders, CDs, albums, filing cabinets, signage, shelving, notebooks, books, flash drives, home decor, and more. Easy Operations: To help create your own designs, the Brother Label Maker comes with a QWERTY keyboard and 16-character graphic LCD with label preview. It also offers up to 15 memory locations for added convenience. Effortless Customisation: Unleash your creativity and choose among its 3 fonts, 10 character styles, 15 frames, and over 250 symbols. Fast Printing: PTH110 boasts a printing speed of up to 20mm/second, allowing you to produce crisp and clear labels in no time. Flag-Style Labelling: Its cable marking function enables you to effortlessly make wrap-around labels for identifying your chargers, AC adapters, plugs, and cords. Labels that Last: When paired with a Brother TZe tape cassette, you'll be able to get incredibly durable labels that can withstand extreme temperatures, sunlight, moisture, abrasion, and chemicals. Compatibility: The Brother PTH110 Portable

Label Maker supports a maximum tape width of up to 12mm wide. To accommodate various labelling needs, the compatible Brother TZe tape cassettes also come in various widths and colours*. Broad Colour Range: Brother's Handheld Labelling Machine is available in a wide array of colours to match your style. *Other Brother TZe tape cassette variants are sold separately. **AC adapter and batteries not included.
