

Brother TN255Y Yellow Toner

The Brother TN255Y yellow, high yield toner cartridge lasts for up to 2,200 pages at 5% coverage. This Cartridge proves fine value, and is especially ideal for those who regularly print and are in need of a more cost-effective cartridge. Key Features A high-yield cartridge will print more pages than a standard yield cartridge at 5% coverage. It's suitable for use with our HL3150CDN, HL3170CDW, MFC9140CDN and MFC9340CDW printers.
