

# Epson 676XL DURABrite Ultra Ink Cartridge Three Colour - Value Pack

Featuring smudge and fade-resistant ink cartridges that incorporate a multi-pigmented DURABrite technology, the Epson 676XL DURABrite Ultra Ink Cartridge Three Colour ensures to produce vibrantly printed outputs on any paper for school, office, or personal use. Key Features Epson 676XL Ink Cartridge is suitable to use with WorkForce Pro WF-4530 and WF-4540 printers. This 676XL Ultra Ink Cartridge delivers vibrant and sharp details on plain and specialty papers thanks to its Epson™s DURABrite ink technology. It produces printouts that are fast drying, water and fade resistant, smudge-proof, and highlighter-friendly. Thanks to its XL size ink cartridge, each ink can print up to 1,200 pages without the need of replacing the cartridge often. The 676XL DURABrite Ultra Ink Cartridge Three Colour includes three Epson XL size ink cartridges – Cyan, Magenta, and Yellow.
