

# HP 61XL Ink Cartridge - Black

With the HP 61XL Black Ink Cartridge, you can produce twice as many prints compared to standard cartridges. With an impressive yield of up to 480 pages, this versatile genuine HP ink cartridge helps meet your extensive printing demands. Key Features Print professional-looking photos, work documents, and web prints at marvellous value thanks to the reliable HP 61XL Black Ink Cartridge. When used hand in hand with genuine HP Photo Papers, you can enjoy durable results that are waterproof, smear-proof, and fade-resistant. HP inks inhibit corrosion and do not cause printhead clogging, so you can enjoy printing without damaging your equipment. Compatible with HP Deskjet 1010, HP Deskjet 3050A - J611g, HP ENVY 4500, HP Officejet 4630, HP ENVY 5530, and HP Deskjet 2540 Printers.
