

# Epson 220 High Capacity DURABrite Ultra Ink Cartridge - Value Pack

Produce more prints in one go with this Epson 220 High Capacity DURABrite Ultra Ink Cartridge Value Pack. This bundle contains black, cyan, magenta, and yellow ink cartridges to deliver comprehensive colour or monochrome prints. It also features Epson's DURABrite ultra ink technology to deliver superb vibrant photos, superb documents, and crisp texts. With its superior quality and reliable performance, this genuine cartridge makes a perfect companion for Epson's range of printers. Key Features Top-Notch Quality: Thanks to the cartridge's DURABrite ultra ink technology, you can achieve professional-grade documents and photos. Efficient Formula: Experience high-quality and smudge-free outputs with this Value Pack Epson Ink Cartridge! You can easily produce pristine and detailed prints you can rely on, perfect for school, work, or personal use. Long-Lasting Results: This Epson Cartridge produces water, smudge, and fade-resistant prints for added convenience. It is also highlighter friendly, ideal for students and professionals who mark and edit documents. Authentic Epson Product: With these high-quality genuine Epson ink cartridges, you can prevent wasting resources and save your equipment, money, and time in the long run. Unlike cheaper alternatives which may not work well with your device, this product won't damage your printer. Budget-Friendly Pack: For added convenience, this Epson High Capacity Value

Pack comes in a pack of 4– 1x black, 1x cyan, 1x magenta, and 1x yellow.
