DCPL3551CDW

Laser All-in-One Printer

Fast and innovative, the Brother DCPL3551CDW Laser All-in-One Printer is a versatile companion for your scanning, printing, and copying needs. This device flaunts wireless capabilities and an Automatic Document Feeder (ADF) function, letting you stay on top of your deadlines. It also uses a high yield toner to help lower running costs and deliver more outputs than ever. Key Features Elevate Your Performance: This all-in-one Brother DCPL3551CDW can reliably print, scan, and copy, making it the perfect companion for boosting productivity. Designed for Convenience: Simple to set up, the Brother Laser All-in-One Printer is ready to use right away! It also comes with a large in-box toner that provides up to 1,000 prints. Compatible Paper Sizes and Paper Type: The Brother DCPL3551CDW Printer accommodates paper sizes such as A4, Letter, A5, A5 (Long Edge), A6, Executive. It can also handle plain, thin, thick, and recycled paper types. Do More in One Go: Thanks to its Automatic Document Feeder (ADF), the printer can now conveniently scan and copy multi-page documents without supervision. This printer also comes with a 250-sheet paper tray, allowing you to save time refilling paper. User-Friendly Display: It incorporates an intuitive full-colour LCD touchscreen to help you quickly access different features with ease. Print Resolution: With its 2,400 x 600dpi print resolution, this Brother Laser printer makes sure that it can produce professional prints you can rely on. It also offers printing speeds of up to 18 pages per minute to deliver efficient performance. Printing Options: Along with Brother DCPL3551CDW's user-friendly interface, it also provides automatic two-sided printing (duplex

printing) and quick print options using your phone and tablet. Generous Capacity: This Brother Laser Printer can accommodate a single sheet for its manual feed slot, and 50 sheets for its ADF, letting you enjoy continuous prints with less paper refilling. Its output can also handle up to 250 sheets (on its face down tray) and 1 sheet for its straight paper path (face-up tray). Scanner Features: Turn physical documents into digital outputs, thanks to this printer's efficient scanning function. It also utilises a Contact Imaging Sensor (CIS) and offers up to 200 x 2,400dpi (from scanner glass, 19,200 x 19,200dpi if interpolated). Copier Functions: Seamlessly produce multiple copies of your documents using this all-in-one printer's copying function. It offers up to 600 x 600dpi resolution and speeds of up to 18cpm (copies per minute). In addition, this device comes with an enlargement and reduction function that can reduce or increase document size from 25% to 400% in 1% increments. Quiet Performance: Capable of printing up to 18 pages per minute at under 47dB, this All-in-One Laser Printer lets you do more with less noise. Wireless Connection: This laser printer allows you to print wirelessly on your compatible devices via Wi-Fi Direct and its Wi-Fi 802.11 b/g/n. You can also transfer files through Ethernet 10Base-T/100Base-TX or its available USB 2.0 port. In addition, this printer also supports mobile printing through apps such as AirPrint, Cortado Cloud Print, Google Cloud Print 2.0, iPrint&Scan, Brother Print Service Plugin, or Mopria (download required).

Features

All Product Details

Brand	Brother
Product Type	Laser Printers
Model Number	DCPL3551CDW

Printer Features

Functions	Print
------------------	-------

Compatible Ink Cartridges/Toners	TN233BK, TN233C, TN233M, TN233Y, TN237BK, TN237C, TN237M, TN237Y
Compatible Paper Sizes	A4, Letter, A5, A5 (Long Edge), A6, Executive
Compatible Paper Types	Plain Paper, Thin Paper, Thick Paper, Recycled Paper
Supported Paper Weight	Standard Tray – Plain & recycled paper (between 60 - 163 g/m ²), Manual Feed Slot - Plain, recycled & bond paper (between 60 - 163g/m ²), ADF – plain & recycled (60 – 105 g/m ²)
USB Cable	Not included

Display Features

Screen/Panel Type	LCD (Liquid Crystal Display)
--------------------------	------------------------------

Print Features

Print Resolution	Up to 2,400 x 600dpi
Document Print Speed	18 pages per minute
Ink Palette	Black, Cyan, Magenta, Yellow
Paper Input Capacity	Standard Tray - 250 Sheets, Manual Feed Slot - 1 Sheet, Automatic Document Feeder - 50 Sheets
Paper Output Capacity	Face Down - 150 sheets, Face Up (Straight Paper Path) - 1 sheets
Duplex Printing	Yes
Maximum Print Size	A4
Number of Paper Tray	1

Scanner Features

Image Sensor	Contact Imaging Sensor (CIS)
Scan Resolution	Up to 1200 x 2,400dpi
Scan Speed (Pages Per Minute)	27 / 21 ipm (images per minute) (mono & colour)

Scan to E-mail Yes

Copier Features

Copy Speed	Up to 18cpm (copies per minute) colour & mono
Copy Resolution	Up to 600 x 600dpi
Reduction/Enlargement	From 25% to 400% in 1% increments
Maximum Document Copy Size	A4
Duplex Copying	No

Storage Features

Internal Storage Capacity	512 MB
----------------------------------	--------

Connectivity Features

Supported IEEE Standards	802.11b/g/n
Connectivity Type	USB 2.0/Wired Network/Wireless
USB Port	1 x USB 2.0
Other Connections	Ethernet 10Base-T/100Base-TX
Ports	

Additional Features

Compatible Operating System	Windows 10, 8.1, 8, 7 SP1, Server 2016, Server 2012 R2, Server 2012, Server 2008 R2, Server 2008. macOS (Download only) 10.15.x, 10.14.x, 10.13.x, 10.12.x, 10.11.6. Linux CUPS, LPD/LPRng.
Compatibility	AirPrint, Cortado Cloud Print, Google Cloud Print 2.0, iPrint&Scan, Brother Print Service Plugin, Mopria

Dimensions

Product Width	47.5 cm
Product Depth	41.4 cm
