

Canon Pixma TR8560 All-in- One Printer

Discover the Canon Pixma TR8560 All-in-One Printer, a printer made for convenient high quality document printing from the comfort of your own home or smart device. This efficient printer is loaded with features such as fax functions, duplex printing, ADF, Wi-Fi and Bluetooth connectivity, 2-way paper feeding and an intuitive touchscreen display. On top of that, it also has a SD card slot for printing your family photos with ease.

Key Features

Functionality: Every function is within easy reach with the manually adjustable front panel, large 4.3 inch LCD display and simple interface. The clear buttons mean quick access to the printer's primary functions.

Design: Experience a lean, space-saving design, with clever contrasting textures, rounded corners and tapering contours to make the printer's already-small frame appear even smaller. A superb printer inside and out - and an elegant addition to any desk or home office.

Ease: Print quality documents with sharp crisp text over USB cable, Wi-Fi, Wired LAN or Bluetooth. Its document removal reminder, 2 way paper feeder in addition to duplex print via ADF makes printing at home easier than ever. Not to mention that Canon's inkjet print technology and 5 single inks bring convenience, cost savings and great looking prints.
