

Garmin fenix 6X Pro - Black

The Garmin fenix 6X Pro is an outdoor GPS smartwatch that is built to keep up with your adventures. It is packed with a variety of useful features such as enhanced wrist heart rate, Pulse Ox2, outdoor navigation sensors, built-in activity profiles, power management, performance metrics, contactless payments, smart notifications, and more. Key Features It features a robust and sophisticated design with its large 1.4” display and its military-grade construction. It is thermal, shock, and water resistant, allowing you to move confidently every single time. You can receive emails, texts, and alerts on your watch when you pair it with your smartphone. Find out how different settings and sensors affect your 6X Pro's battery life, so you make adjustments seamlessly. You can utilise preloaded exercise profiles for trail running, swimming, running, biking, hiking, rowing, resort skiing, golfing and more. Access real-time data on your current and expected climbs, including gradient, distance and altitude increase. With the Garmin Pay, you can pay without contact through participating providers. Gauge your heart rate and calculate your stress level score seamlessly. It also tracks underwater without a heart rate strap. If you feel unsafe, its assistance and conflict detection feature sends your location to emergency contacts.
