

Fitbit Charge 4

- Rosewood

With Fitbit Charge 4, there's no limit to how far you can go. This sleek, swim-proof tracker is packed with features that help you know your workouts and your body better—like built-in GPS, Active Zone Minutes, new exercise modes and sleep tracking. Plus, with Fitbit Pay and up to 7-day battery, you get more convenience on the go and more inspiration to reach your fitness goals.

Key Features

24/7 Heart Rate: Use 24/7 heart rate to better track calorie burn and optimise workouts by seeing what heart-rate zone you are in during exercise.

Goal-based Exercise Modes: Track your favourite workout using exercise modes and set a goal before starting to see your progress towards the set goal in real-time.

Built-in GPS: During outdoor runs, cycles, hikes and more, use built-in GPS to see your pace and distance on Charge 4, then get a map of your workout in the Fitbit app.

Swimproof: Water-resistant up to 50m, Fitbit Charge 4 is designed to be worn in the shower, pool and beyond.

Guided Breathing Sessions: Take a moment for mindfulness by following an on-screen guided breathing session that's based on your heart rate.

Notifications & Apps: Stay connected with call, calendar and smartphone app alerts, text notifications and convenient apps like weather and timer. Plus, send quick replies to messages* (Android only).

Sleep Stages & Score: Charge 4 tracks your time in light, deep and REM sleep stages and gives you a nightly Sleep Score in the Fitbit app, so you can quickly understand your sleep quality and work toward better rest.

Long Battery Life: With a battery life of up to 7 days—and up to 5 hours when using GPS—Fitbit Charge 4 lets you do more with less charging.

Fitbit Pay: Load your favourite credit and debit cards to your Wallet in the Fitbit app, then use Charge 4 to tap and pay for purchases on the go—at transit stations, your favourite stores and more.

All-Day Activity Tracking: Fitbit Charge 4 tracks all-day activity like Active Zone

Minutes, steps, distance, floors climbed and calories burned to show how every part of your day gets you closer to your goals. Female Health: Women can know their bodies on a whole new level by using Fitbit Charge 4 with the Fitbit app to track periods, record symptoms, see a predicted ovulation calendar and more. *Available when phone is nearby.
