

Garmin Vivofit JR 2 Band - Adjustable

Check out the different designs and characters for the vivofit jr. 2 accessory bands. These bands work with vivofit jr. too! Purchasing a new band — like this adjustable one for kids, recommended ages 4 to 7 — lets your kid gain access to a whole new world of app adventures. The band corresponds with the app adventure experience on the parent-controlled mobile app. What'll it be? Key Features Stylish & Strong: Tough and durable, vivofit jr. 2 features a comfortable band. Your kid can show their stylish band off and rock it everywhere from recess to soccer, during bath time and even to bed. Rewards: Every day, kids unfold new adventures in the app as they reach their daily 60-minute activity goals, inspiring them to do their best. Includes an adventure code for the Vivofit JR app: Each band has its own type of daily 60 minute activity goals. Convenient: These bands work with Vivofit JR. Designed for: Adjustable bands fit 130-175mm (ages 4+) * Accessory band only; Vivofit JR 2 sold separately
