

Turtle Beach Recon 50X Gaming Headset for Xbox One - White

Take comfort (and your game) to the next level with the lightweight Turtle Beach Ear Force Recon 50X Stereo Gaming Headset. Beyond the comfortable over-ear fit and ear-cups that rotate flat, the large 40mm speakers deliver incredibly crisp sound. In-line controls allow you to adjust volume or mute the mic with a finger and removable mic makes it easy to go radio silent, listen to music or watch a movie instead. Universally compatible with newer Xbox One controllers, PC, Mac, mobile devices, and PlayStation4 via the 3.5mm jack. Key Features Xbox One and Xbox One S

Friendly: Compatible out-of-the-box with the new Xbox One controller with the 3.5mm jack. Lightweight & Comfortable Design: The sleek, lightweight over-ear design with synthetic leather-wrapped ear-cups allows you to play for hours in complete comfort Crystal Clear Chat & Audio: Use the high-sensitivity adjustable boom mic for in-game and online chat, and then remove it when listening to music and watching movies Full-Range Speakers: Large 40mm Neodymium speakers deliver great stereo sound with crisp highs and thundering lows Convenient Controls: In-line controls conveniently place Mic Mute and Master Volume right at your fingertips Highly Versatile: Connects to virtually any PC, Mac, and mobile/tablet device. The Recon 50X is also compatible with the PlayStation 4 controller and the new Xbox One controller with 3.5mm headset jack
