

BlueAnt Pump Air Pro Active Noise Cancelling True Wireless In-Ear Headphones - Black

Get lost in your favourite tunes with the BlueAnt Pump Air Pro Active Noise Cancelling True Wireless In-Ear Headphones. An ideal choice for on-the-go trendsetters, this Pump Air Pro showcases a minimalist design, powerful drivers, and long battery life that can accompany you for up to 35 hours. In addition, it equips Premium Active Noise Cancellation and Advanced Transparency, so you can tune in and tune out depending on your needs. Key Features Premium Sound: Listen to your favourite content in stunning clarity! Pump Air Pro is engineered with a 12mm dynamic driver, allowing you to enjoy crisp HD audio and rich bass. Immersive Listening: Its Active Noise Cancelling feature delivers up to 30dB of noise cancellation, so you can rest assured that it effectively reduces unwanted ambient sounds. Hear your Surroundings: Using the Advanced Transparency Mode, you can conveniently stay aware of what's happening around you. Handy Microphone: This pair of headphones equip a built-in microphone, enabling you to easily take calls without needing to reach for your smartphone. Accessible Controls: Thanks to its one-

touch controls, you'll be able to manage your music and calls without any hassle. It also offers Siri/Google integration for instant access to your voice assistant.

Durable Build: Confidently wear your headphones even during intense workout sessions! The Pump Air Pro boasts an IP55 sweatproof rating, ensuring that it is durable enough to handle sweat, rain, and accidental spills.

Snug Fit: To ensure a perfect fit, these BlueAnt In-Ear headphones come packed with 3 sizes options of ComfortSeal ear-tips. Additionally, it is made lightweight at 4g each earbud, so you can stay comfortable even during long hours of listening.

Long-lasting Battery: Experience up to 35 hours of uninterrupted music playback*. At 50% volume, the earbuds' battery can last for up to 8 hours. Meanwhile, the included charging case provides you with additional 27 hours of run time and allows rapid charging via USB-C.

Seamless Connections: Pump Air Pro utilises Bluetooth 5.0 technology, offering you a fast, wireless connection and a better range. *The playtime will vary by ANC, type of music, and environmental factors.
